

Meet Kelly and Phoenix!

It wasn't the ideal situation, a surprise later-in-life pregnancy...

Kelly came to HELP with a shallow support system, needing a shoulder to cry on and some reassurance that everything would be okay. That's where Donna, a longtime Client Volunteer Advocate came in to help, offering care and compassion in a time of crisis. She was able to offer emotional and spiritual guidance with HELP's *Loving Arms Program*, offering support throughout her pregnancy, the birth of Kelly's baby, Phoenix, and beyond. Kelly also took advantage of a Wright Connection Bible Study, where she made some meaningful connections with others who share her struggles. Phoenix is now two years old and has a lasting presence in our hearts. Kelly spends times giving back to HELP through a baby items drive with her co-workers, and her weekly service keeping our back room and boutique in order. Precious Phoenix has become our HELP mascot. We are blessed to have them as a part of HELP's team!

KELLY SAYS ABOUT PHOENIX... *"Even though she was a surprise, she completes our family and makes our life full!"*
